

HAVE YOUR SAY!

The Harlington Development Consultation

Saturday 25th February - Saturday 18th March 2017

In January 2016 we said:

"We will engage Engineers and Architects to start design work in 2016-17"

"We will develop 3 options to replace, to modify and to renovate The Harlington"

"We will consult with the public on the options"

We have completed the first two actions and now we want to know your opinion!

Come and find out more and give us your views:
