Rushgrove , Reading Road North

Detached Bungalow and accessway (resubmission)

Comments required by 6th March

OBJECTION

- Overdevelopment of garden

Fleet Town Council supports our previous comments and the refusal of this application.

Fleet Town Council's previous comments as of 28/01/15

OBJECTION

1. The indicated plot size of 0.24ha includes a substantial proportion of the area being the driveway, and therefore we do not believe that the development meets the requirement of URB 18 i.

2. The new property would be over shadowed by existing trees. The likelihood would therefore be for the trees to be removed to improve lighting, which FTC would consider to be a hugely damaging outcome for the conservation area.
 3. FTC is surprised that the arborist has not identified this plot as being in the North Fleet conservation area.
 4. FTC does not believe that this back garden development sustains or improves the urban environment and the character of the conservation area in accordance with GEN 4.
 5. The new access could cause conflict with existing access on the opposite side of the road and The Avenue.
 6. The development would require the removal of a number of mature trees in the conservation area, which would cause harm to the conservation area.
- We note the demolition of the old garage and erection of the replacement.
