

## Action Day

Fleet Town Council is holding one of its regular Action Days on **Saturday 18th April.**

**Time: 9.30am - 12.30pm**

**Meeting at the Harlington**

To help make Fleet a better place to live and work, we are looking for volunteers to help tidy up and improve the appearance of Fleet Town Centre and the parks.

We are inviting residents and organisations to come along and be part of the day. As usual, Fleet Town Council will supply all the materials and equipment. It is hoped that when we all get up on Sunday 19th April, there will be a noticeable improvement in the appearance of Fleet.

There are a variety of different tasks you can get involved with including: refurbishing benches, weeding, litter picking, removing fly posters etc...

## Basingbourne Pavilion Roof

Basingbourne Pavilion was another "wasting asset" inherited by Fleet Town Council. The Pavilion is beyond its sell by date, but unfortunately, at this time, we cannot afford a new one.

We have therefore replaced the roof to cure the leaks and in the next few weeks the building will have a face lift with a coat of paint to improve its overall appearance.

What the pavilion looked like before the roof works

## New Basingbourne Footpaths

Over the years, if not decades, the paths through the woods at Basingbourne Park have deteriorated to the point they have become impassable in wet weather.

Fleet Town Council has been able to secure some funding from developer contributions to install over 1200 sq metres of all-weather permeable paths made from environmentally friendly resin bonded recycled rubber.

The cost of the project at £66,000 is fully funded by contributions from historic development projects within Fleet.

Paths before work began

## Ancells Farm playground

Thanks to the generosity of the Friends of Ancells Farm, the Town Council has installed two new flat seated swings and a basketball hoop to expand the range of play equipment in the park.

## Dates for your Diary

Fleet Food Festival — 24th May

Fleet Carnival — 4th July
