# **NO INCREASE FOR FLEET RESIDENTS**

For the second consecutive year, the Town Council has not increased its proportion of the Council Tax bill which will be landing on your door mat from 1 April 2014. But don't worry, the Council will still be continuing its planned improvements in the five parks, cemetery, Ancells Farm Community Centre and The Harlington as well as working with local residents to ensure that Fleet continues to go from strength to strength.

The 17,758 electors in Fleet will pay just 59p per week per elector for all the benefits and services offered by Fleet Town Council

All for less than the price of a first class stamp!

#### SPRING CLEANING
