

Fleet Cemetery

The Cemetery has been a hive of activity over the past few months. All the overgrown plants have been removed from in and around the graves, the hedges along the Cemetery boundary have been trimmed, the trees have been crown lifted and the suppressed trees removed. As a result, many areas now enjoy much more light.

After

Basingbourne Footpaths

Fleet Town Council has been working to install over 1200 sq metres of all-weather permeable paths; made from environmentally friendly resin bonded recycled rubber, in Basingbourne Woods. The paths were previously impassable in wet weather.
