NEW CHILDREN'S PLAY AREA

As of Tuesday 26th November Fleet Town Council has opened a new children's play area situated near the main entrance to the building. The play area will be open during normal opening hours (9.30am – 5pm) and features an exciting variety of toys bought by the Council and donated kindly by the public. Toys include a Car

Park Tower complete with cars, a London Bus unit, a music set, a toy kitchen, and for those who want to relax, books and plenty of bean bags. A small seating area has been set up next to play area so you can enjoy a drink from our Café while watching your children play.

A special thanks to those who donated their time to help assemble some of the toys, and to our very own Fairy Bowbells (Amanda Goldthorpe-Hall) from our Dick Whittington Pantomime, for officially opening the play area.
