

Tennis at Calthorpe Park

Fleet Town Council is working with the Lawn Tennis Association to improve the Tennis offer in Calthorpe Park and is excited to announce that this will include the resurfacing of all six Courts. It is hoped that this initiative will encourage people of all ages to pick up their tennis racquets and head to the courts for a game of tennis with family and friends.

As well as the resurfacing of the courts, a new simplified access system will also be installed with an online booking system. As part of these improvements there will be a brand new feature whereby households can pay an annual membership fee of only £36 for unlimited tennis!! (terms and conditions will apply).

Also on offer will be the regular pay to play tennis charge at £6 per Court per hour and there will also be a special deal for clubs wishing to make block bookings. To book a court, please go to www.fleet-tc.gov.uk

Whilst this work takes place it is intended that at least 2 courts will be available to book at all times. It is planned that the work will be completed by the end of July and we apologize for any inconvenience this may cause but hope the result will be worth it!

If you are interested in applying for unlimited tennis for just £36 per year, please contact the Council on 01252 625246 or Email: charlotte.benham@fleet-tc.gov.uk.

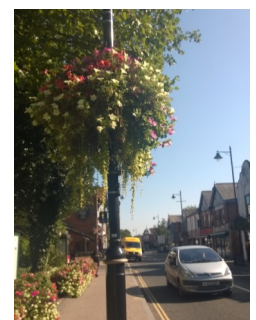

Scam Jam

The annual BMX competition will be held on Saturday 23rd July 2016 at The Views Skate Park. For further information about the competition please contact: Charlotte.tickner@fleetphoenix.co.uk or Maddie.brown@fleetphoenix.co.uk

Floral Displays

Fleet Town Council have once again installed Floral Displays throughout the high street and this year there are more than ever with the displays being extended down to King Road. We hope you enjoy them!

Skatepark Painting

Fleet Town Council would like to say thank you to everyone who recently helped repaint the Skate Park at The Views - to Fleet Phoenix for once again organising the event and to all the local youths who volunteered to help out. Works included repainting the ramps, the sides of the ramps and the line markings. All your hard work is greatly appreciated and certainly improves the overall appearance of the Park!
