

TALK from THE TOWN COUNCIL

Merry Christmas and Happy New Year

From everyone at Fleet Town Council

Lighting up Fleet

Fleet wouldn't be Fleet without the large Christmas Tree at the front of Ghurkhas Square and the festive lights along Fleet Road.

Fleet Town Council has once again provided all the Christmas lights in the town and Gurkha Square. The wonderful Christmas Tree, which takes pride of place in Gurkha Square, has been made possible with the help of some very community orientated businesses and this year, Fleet Town Council has added more festive cheer to the town by lighting up another tree along Fleet Road and installing five cross street decorations.

Says Cllr Bob Schofield, Chairman of Fleet Town Council,

"The Town Council gives its special thanks to Natta Homes for sponsoring the magnificent Christmas Tree, Cedardale Arboricultural Specialists for their professional service installing the tree, Hart District Council for allowing the tree to be given pride of place in the Gurkha Square Car Park, Festive Lighting for installing the decorative illuminations, and last but not least W C Baker Limited for their invaluable help. Fleet just wouldn't be the same without the Christmas Tree in Gurkha Square"
