

Tennis at Calthorpe Park - Play Tennis for £36 a year!

The Tennis Courts in Calthorpe Park have in the past 2 months been undergoing refurbishing works which will, subject to weather, be completed at the start of August. Families will be able to play tennis on the newly refurbished courts at Calthorpe Park for just £36 per year.

The £36 membership fee entitles your household to one key card that needs to be collected from our offices. Once you have your key card you can start making court reservations online (for which there will be no charge) and then use your key card to access the courts. You can play as many times as you like!

It is hoped that families will take advantage of this introductory offer to encourage children and youngsters to spend more time outside and be more active over the school summer holidays.

Says Paul Einchcomb, chair of Fleet Town Councils Recreation, Leisure and Activities (RLA) Committee

“The Town Council is working hard to increase sports participation in the local area for residents of all ages. Tennis is a sport that can be played from the time you start walking, throughout your whole life, with friends or family, for fun or competitively. We hope that this introductory offer will encourage local people to pick up their rackets and get down to the tennis courts in Calthorpe Park.”

To find out how you can take part in this exciting new offer, please email: charlotte.benham@fleet-tc.gov.uk.

or visit www.calthorpeparktennis.com

The resurfacing works have only been possible through the help and support of the Lawn Tennis Association(LTA) who have given the Council a grant for £43,000 and a new booking + access system worth approx. £10,000. The new access system will allow you to book a court up to an hour before you want to play.

For those wishing to play a game or two we will be offering our usual Pay and Play which is charged at £6 per court per hour.
